Dear Mr. Beatty:

I am very sorry to learn of your indisposition
and trust that it will be of very short duration.
I shall be glad to attend to your report on the Saltus
Medal Committee, but am hoping that you will find by
Saturday that your cold will have cleared up sufficient-
ly to allow you to be present at the Annual Meeting.

With best wishes, I am .

Very truly yours,

Dear Mr. Beatty:

I should be glad to have you read the enclosed letter. I talked with Noe yesterday about it, and he thought that we had better put the matter up to you. Noe's idea, however, is that it might be just as well to let MacNeill undertake the work but hold off until he returns from the west, and plan to get the medal out for the 1926 celebration. In the meantime, we might think of some other medal and possibly approach de Francisci.

Noe expects to be out of hospital next week and undoubtedly will be back on the job in two or three weeks' time.

Very truly yours,

Dear Mr. Beatty:

I am sending the enclosed letter for
your information, and I should be glad to know
whether or not you would advise the installation
of a Taco Heater.

Very truly yours,
